Ekyam Clinic

HOW TO FIX
YOUR POSTURE

It affects your

HEALTH

"JUST SIT STRAIGHT" IS

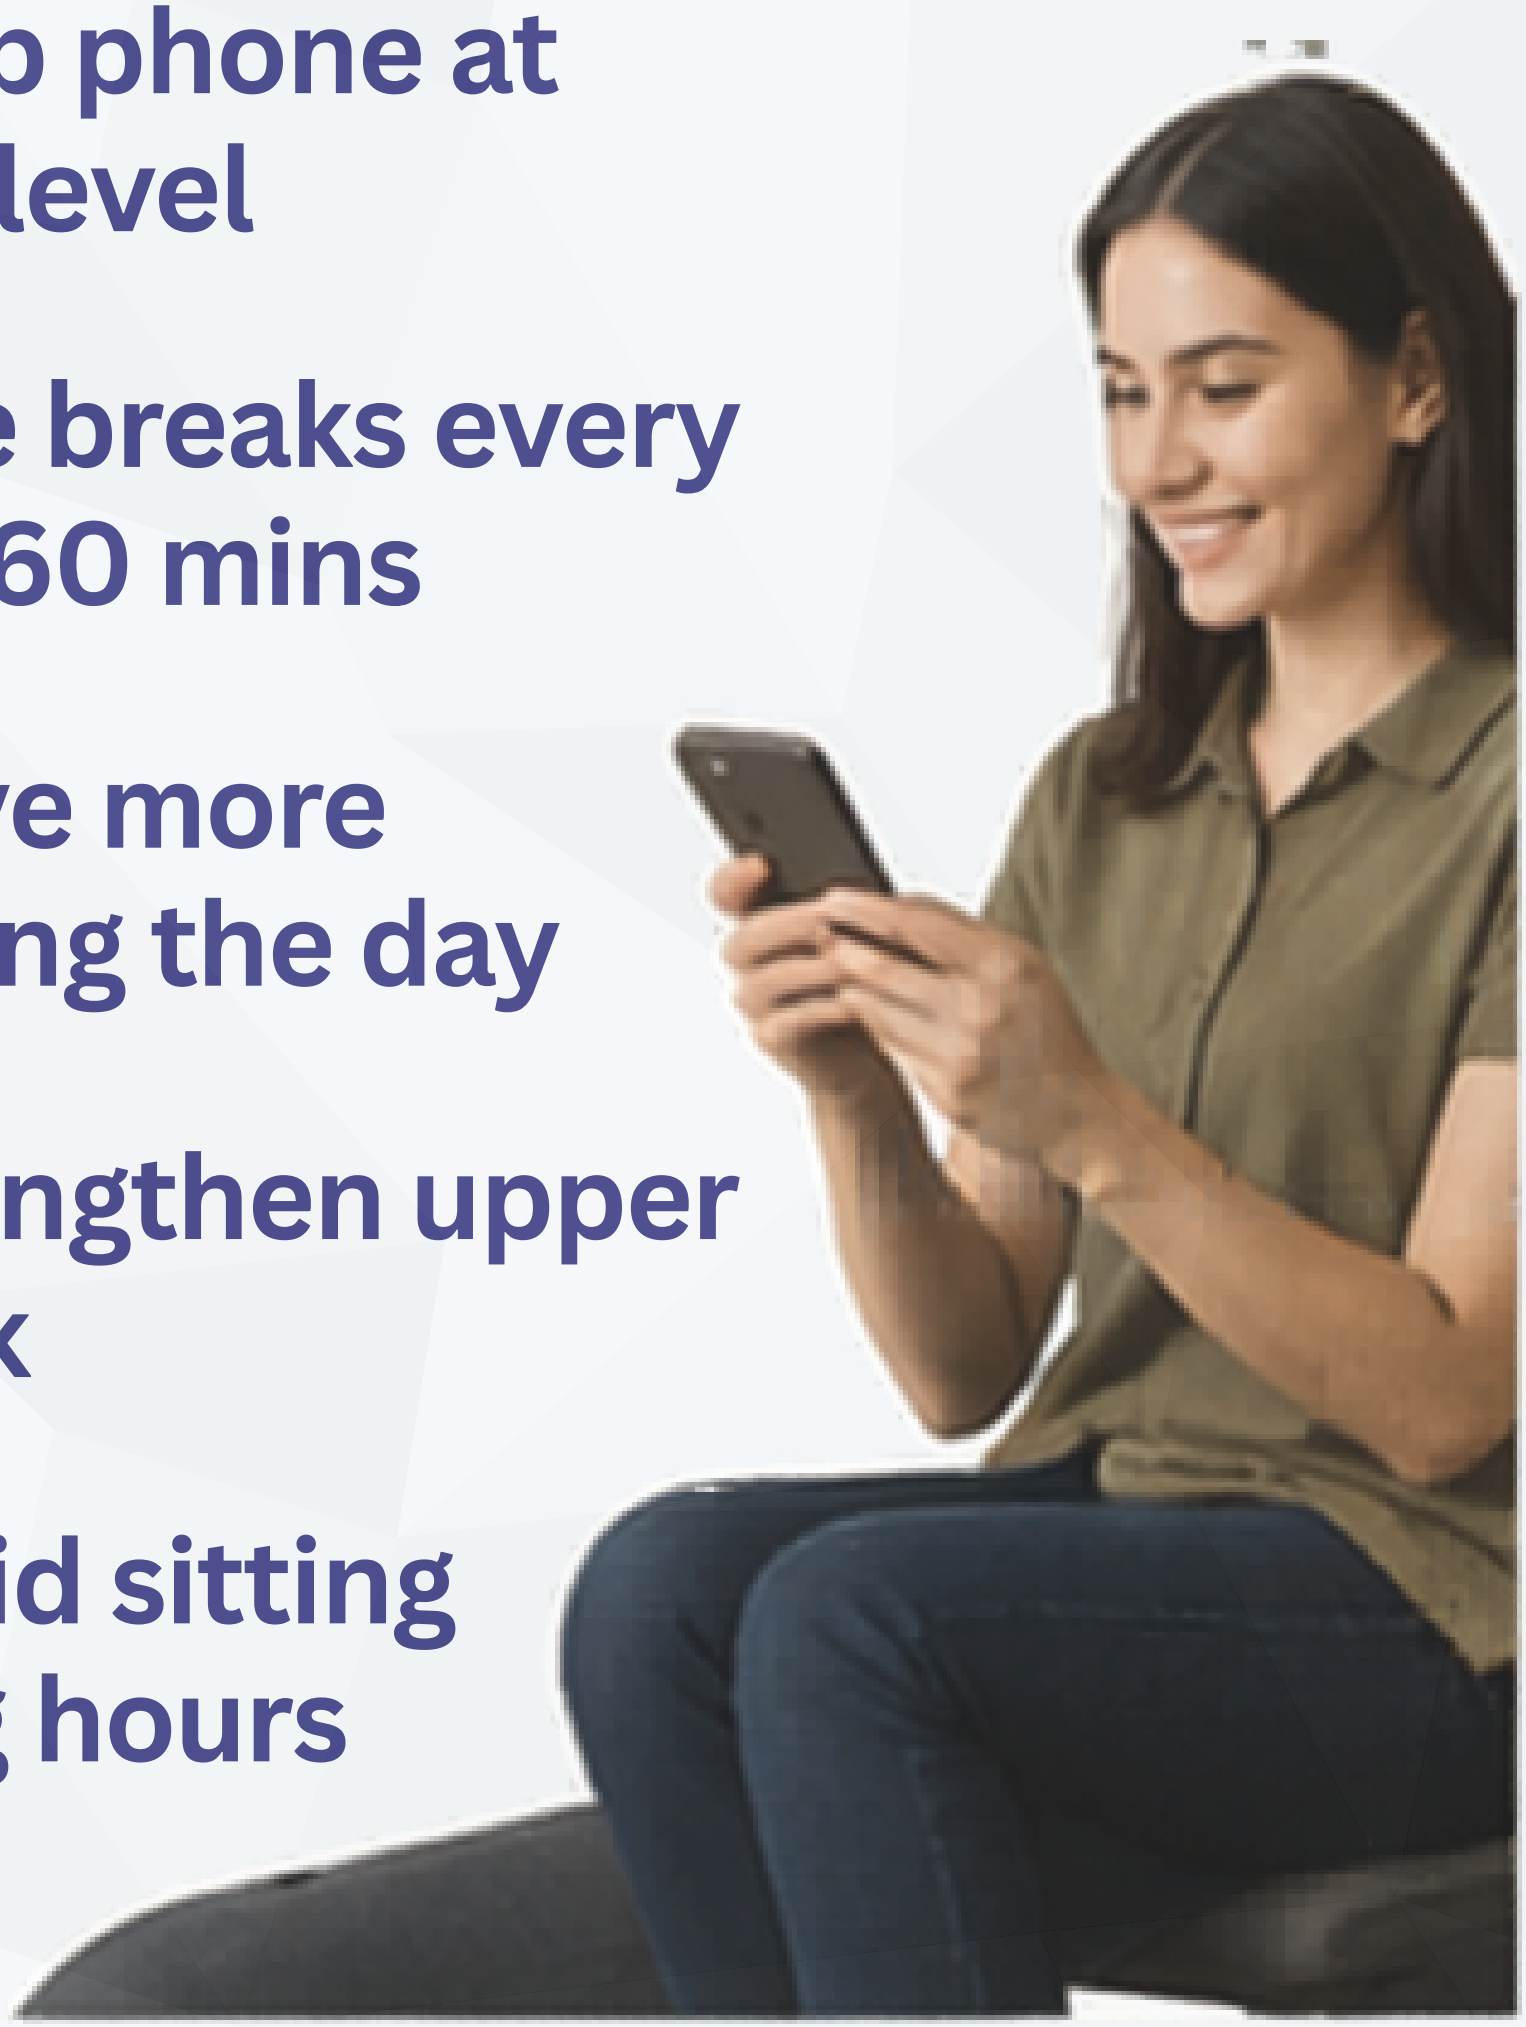
NOT ENOUGH

You improve posture by:

- Moving regularly
- Improving mobility
- Taking breaks
- Strengthening muscles

WHAT ACTUALLY HELPS?

- Keep phone at eye level
- Take breaks every 30–60 mins
- Move more during the day
- Strengthen upper back
- Avoid sitting long hours



4 SIMPLE EXERCISES

DO DAILY FOR BEST RESULTS

CHIN TUCK

CHEST STRETCH

WALL ANGELS

CAT-COW STRETCH

Better Posture, Better Life. We're here to help.
